Dear Councillor Jones

Thank you for your letter dated 6<sup>th</sup> February 2019.

Your observations are noted.

In answer to your question in relation to “timescales and resources that are currently flagged as ‘red’ is this down purely to some team vacancies within the service? What plans are in place to deal with this?”

I can confirm that extra resources are being made available via capitalisation of existing staff budgets. This is providing sufficient funding to the regeneration team to allow new appointments of regeneration officers based on the current and anticipated future workload. The recruitment process will be underway very shortly and officers will update you at future meetings.

Yours sincerely

**COUNCILLOR ROB STEWART**  
**LEADER & CABINET MEMBER FOR ECONOMY & STRATEGY**
