Dear Councillor Black

Thank you for your letter dated 5th May following my attendance at the Scrutiny Programme Committee on 13th April 2021.

Your feedback and positive comments on the progress of the Homelessness Strategy were very welcome and I continue to value the support and challenge that you provide to our work in this area.

I would also like to pay tribute to the wide range of individual and organisations who are contributing to this important work. Homelessness is not an issue that can be solved by the Council alone and I am proud of the tremendous partnership working that is going on in Swansea to address the issue of homelessness and to get the best results for the people of Swansea, of which the work of Scrutiny is an important element.

I look forward to continuing to work with you on this agenda in the months and years ahead.

Yours sincerely
