

Council – 24 October 2019

Notice of Motion from Councillors C A Holley, R C Stewart, L R Jones & P N May

Notice of Motion on Carbon Based Investments

We understand the great strides which our pension fund has made to divest from carbon based investments.

Congratulations are in order for the award which was announced in the Evening Post Monday 23rd September 2019 for the work carried out by Officers and the Members on the fund.

We therefore ask the Cabinet Member to report in the next 6 months to what action we are taking to remove ourselves from carbon based investments.
